Hospital group donates gifts to child patients

Labrador City (Staff)—The regular monthly meeting of the Captain Wm. Jackman Memorial Hospital Ladies' Auxiliary was held May 26. It was another special projects night with each member bringing gifts for the Pediatrics ward and consisted of books, games, records and toys. Reports were presented by convenors of various committees and passed.

Mrs. Jenkins, convenor of the special events committee, was given permission to purchase materials during the summer months, so that a workshop on the making of flowers and other related handicrafts may be held in the fall. Mothers' Day favors were distributed to patients by

Mrs. Jenkins and Mrs. Campbell.

The public health nurse, Mrs. Wright, expressed her appreciation for the valuable assistance given her by the auxiliary during the recent CNIB clinics held in the area.

On display at the meeting was a beautifully made tuck cart, designed by Mrs. K. Killam and donated by a hospital supporter. The tuck car committee would appreciate the services of more volunteers during the summer, when regular members will be on vacation. More volunteers are also needed in the pediatrics ward in order to continue the tri-weekly service now being undertaken.

The new by-laws will be strictly enforced beginning next fall. Mrs. R.C. Baxter reported that all library books have now been catalogued and letters of appreciation are to be sent to the Wabush and Labrador City libraries for their generous donations.

Child patients will be assisted by the auxiliary in preparation of cards for Fathers' Day.

Mrs. William Huston of Wabush showed a hand puppet display made by another hospital auxiliary. It was decided that it could be readily adopted on a local basis and would be combined with the fall handicrafts work shop.

The final meeting of the auxiliary before the summer recess, will be held June 16. It will consist of a social evening and dinner at the Sir Wilfred Grenfell Hotel. New members will be welcomed when meetings reconvene in September when plans will be discussed in connection with a mammoth bazaar

C of C winter carnival has deficit of \$6,000

Wabush (Staff) — A heated discussion took place at the annual meeting of the Labrador West Chamber of Commerce over a \$6,000 deficit incurred by the past winter's winter carnival. Much of the blame for the loss was attributed to some other organizations and groups, which the committee felt had not thrown anticipated help behind the project.

Treasurer for the committee, Jack Warner made his report and gave a detailed financial report. He said the car draw was an outstanding success with \$12,500 in ticket sales. After expenses, the project netted \$4,570.20.

The big flop was the country fair. The main reason for the failure was attributed to the lack of manpower to run the various booths. It was charged that the committee, by lack of communication had no one to blame but themselves. Co-chairman of the committee, Kevin Campbell retorted that such was not the case and said the committee had to go on its "hands and knees" to solicit help. If someone was missed, he said, the committee apologizes to the people concerned.

Mr. Warner then came to what he termed the "sad part" of report. Losses were sustained on the import of the German band, the boxing show, the teenage dance, coronation ball, and the Air France trip for the queen which fell through thus adding another \$1,500 loss when this amount had to be provided out of committee funds.

It was admitted that the committee will take a certain amount of the blame but in the main, the above stated facts, proved to be the prime factors in the committee's deficit. He hoped that next year's committee will not underwrite activities to others. He said if they did, he would advise these other parties they would be responsible for any losses incurred.

The big question then arose as to how the loss can be liquidated. Mr. Warner said nothing has been decided and the matter was open to suggestion. He suggested that possibly a ball could be held at \$100 per couple. The money maker during the carnival—car draw—was also suggested. The possibility of a dinner and dance with tickets at \$50 including a big name speaker and entertainment.

Discussion concluded with a motion being passed that the new executive analyse the causes and losses of last year's carnival

and that the report be tabled at a meeting before any decision is made to go ahead with next year's event.

A motion to the effect that the committee's financial report be accepted, pending an audit, was also passed.

Another motion to receive approval, was that the Chamber approach the Imperial Bank of Commerce with the idea of

borrowing \$7,000 to pay outstanding bills during the carnival. The loan will be repaid on arrangement and would come from the Chamber's general fund.

Another topic arising from the meeting was the suggestion that membership dues be reconsidered. A motion to the effect, that the matter be left in the hands of the incoming executive, was passed.

Water Safety and You

Last year in Newfoundland there were 15 drownings due to the operation of power boats.

Now, as the boating season fast approaches us, we have decided for the next three issues, to give as much information on boating as is possible.

If some of you have lifejackets, which you would like to test or try out for flotation ability, contact the recreation centre and arrangements will be made. Now is the time for you to test the jacket, not in August when it may be too late.

A lifejacket is intended to help you save your life in the event you should become involved in an accident and find yourself in the water. To assist you in this end, the following points are brought to your attention:

1— Try the lifejacket out. Put it on and familiarize yourself with the tie tape arrangements.

2— The jacket is completely reversible and it is important with the Keyhole style that the waist straps be tied around the body and not around the lifejacket, so the jacket is allowed to pivot away from the body and give the desired, inclined backward, floating position.

3— In order to familiarize yourself with the jacket's capabilities in the water, you should wade out into water about chest deep and by bending your knees let the buoyancy of the jacket support you. You will find that the lifejacket will incline you in a backward position with your mouth clear of the water.

4— If you have to swim while wearing a lifejacket, use a back or side stroke.

5— Once you have made yourself familiar with the performance characteristics of the lifejacket, the responsibility of maintaining the jacket in good condition rests with you.

The following points will assist you in the maintenance of this lifejacket:

A— Do not abuse it by using it for any other purpose such as a seat cushion, boat fender or kneeling pad.

B— When dry, store in well ventilated cool areas.

C— When wet, hang up to dry in the open air in a ventilated area. Do not dry in front of a radiator or other source of direct heat.

Children should be made to wear their jackets at all times when boating. They should be taught how to don them and be allowed to try them out in the water. It is important that youngsters feel comfortable, know what the lifejacket is for and how it will keep them afloat. Parents should not, however, **THAT NO LIFEJACKET WILL TAKE THE PLACE OF ADULT SUPERVISION.**

Children, because of the distribution of body weight, and their tendency to panic when finding themselves suddenly in an environment to which they are not accustomed, are difficult subjects to float in a safe position. The violent movement of their arms and legs in an attempt to "climb out" of the water, tends to nullify the effects of the lifejacket. Approved lifejackets will keep them afloat but not always in a face up position, therefore, the most important thing to remember is that **A LIFEJACKET ON A CHILD IS NO SUBSTITUTE FOR PARENTAL OR ADULT VIGILANCE.**

The answer to last week's question is the breast stroke. Any other type of stroke would have a tendency to only tangle him more.

The three resting strokes are:

A — Side stroke, breast stroke, back crawl.

B — Breast stroke, front crawl, side stroke.

C — Breast stroke, side stroke, elementary back stroke.

Answer to appear in next week's column.

Wabush planning summer program for children

Wabush (Staff) — This summer's recreation program for the Town of Wabush is in the planning stages. Providing there is enough interest generated, it is hoped to provide a fairly extensive program. The program is scheduled to get underway officially, June 27.

Included in the activities will be soccer, (age 10 years and up); softball, (age nine and up); baseball (boys only, age nine and up); kickball, (seven and eight year olds); badminton, (age nine to twelve); tennis, (age nine and up); basketball, (10 years and up); volleyball, (12 years and up) and floor hockey, (nine years and up). A "fun hour" is also planned, (five to eight years); swimming, (open each day).

Weekly there will be a special event. This may include such things as "best decorated bike and rodeo, best decorated carriage and doll show, a baby show, art and handicrafts competition, swim meet and track and field events."

Registration forms have been distributed to all boys and girls in the area and it is hoped to have things ready as soon as school closes. Further details will be released shortly.

In view of the local circumstances, it has been decided that there will be no charge for the program. Any questions concerning the program should be directed to Miss J. Noel at the recreation centre or by phoning 282-3142.

In connection with the summer program, applications are being invited for the positions of supervisors, instructors (male and female) with the recreation centre for the summer months. Duties will consist of teaching and supervising the recreation program. Minimum requirements are grade XI education and be 17 years of age by June 11. Interested persons are asked to pick up application forms at the recreation centre. Deadline for applications is Saturday, June 14.

William R. Turner, vice principal of the Regina High School, Corner Brook was the guest speaker for the event. Shown are the head table guests. (l to r) David Selleck, school board member and Mrs. Selleck; Mr. Turner, Mac Penney, Chairman; Edson Swyer, principal of Labrador City Collegiate, Mrs. Swyer, Mrs. Roy Smith and Mr. Smith another school board member. (Biron Photo).

Turner addresses graduates

Labrador City (Staff) — A graduation banquet and dance in honor of the students of the Labrador City Collegiate was held last week at the school. Special speaker for the occasion was W.R. Turner, vice-principal of Regina High School, Corner Brook.

He told the graduates that fortunately or unfortunately they are living in a revolutionary age in which they will be bombarded with problems. He said they will have to dissect and analyse society's problems which will be confusing. He told the graduates not to expect instant learning if they enter university. He emphasized that knowledge and wisdom go hand in hand.

Mr. Turner stated that many radicals of today seem to think they are the new society. Others are under the impression they have rights and no responsibility. "Many of these"; said Mr. Turner, "are creating enthusiasm to courses that they know nothing about and the danger

being they could be manipulated by those seeking power".

He told students, if they are going to be rebels, be one for a

worthwhile cause. "Stop and think before you get involved in a mass movement which could wind up in violence."

Social and Personal

Mr. and Mrs. Reg Duchesneau, of Labrador City, are spending a holiday in Sorel, Quebec.

Also on vacation are Mr. and Mrs. Fred Roberts and children, of Labrador City, who are spending some time in Nova Scotia and then expect to continue on to Northwest River, Labrador, for a couple of weeks.

Mrs. Marie Cook was hostess at a Tupper Ware Party given last Tuesday in her home at 723 Stirling Crescent, Labrador City. The Tupper Ware was displayed to the 18 ladies present by Mrs. Patricia Ryan. A lunch was served and a pleasant evening was had by all.

Mrs. Sybil McGuire, of Labrador City, hosted a bridal shower last night for Miss Emma

Ash, also of Labrador City. There were the usual games, a lunch was served and Miss Ash was the recipient of many lovely gifts.

At their annual general meeting last Thursday, the Carol Ladies' Community Club held an election of officers. Mrs. Etta Little was elected to her second term as president; Mrs. Jean Mann, vice-president; Mrs. Mary Condon, secretary; and Mrs. Gail Pike will serve a third term as treasurer.

Mrs. Grace Ambler wishes to remind all parents that Saturday, June 14, will be the last day for ballet classes. Members of the family are invited to the class demonstrations which will be given during regular class times.

The Ashuanipi Social Club darts tournament drew to a close recently with the presentation of awards. First place winners were (l to r) Mike Neville, Gerard Dennis, Eric Osmond, Roland Legrow, Art Byrne, Dell Peck and Alfonse Rudkowski manager of the club who made the presentations. In background is provincial MHA for Labrador West, Tom Burgess who was master of ceremonies for the occasion. (Biron Photo)

Tickets: \$ 10.00 Double
\$ 5.00 Single

The Labrador West mens' softball league elected its officers at a meeting recently. This year's operation opened about two weeks ago. (l to r) George Rose, secretary; Gordon Manstan, president; Tom Donnelly, treasurer and Reg Moores, 2nd vice-president. (Biron photo).

Jailed for dangerous driving

The first of two trials scheduled in the Supreme Court on circuit at Happy Valley concluded last week.

Pius J. Gosselyn was found not guilty of criminal negligence as charged, but was convicted on a lesser charge of dangerous driving and also of impaired driving.

He has been sentenced to 18 months for the first offence and three months for the second offence, to run concurrently, a maximum of 18 months to be served.

In session the Crown called a total of thirteen witnesses in the case.

Beware of street peddlers

The Better Business Bureau has warned the public to beware of street peddlers. The Bureau says watch peddlers are currently roaming city streets and are taking residents to the cleaners. It says the watches which cost \$42.00 per dozen are being sold for as high as \$39.00 each to unsuspecting people who think they are getting a bargain.

C of C elects new officers

Wabush (Staff) - Jack Warner was elected president of the Labrador West Chamber of Commerce at its annual meeting and election of officers here last week. Others elected to executive posts were: Peter Walsh, first vice-president; "Flip" Dawson, 2nd vice-president; Miss Phyllis Moore, secretary and Bill Wotelboer, treasurer. Directors are: Ira Tucker, Charles Jubber, Ted Humphrey, Alex Hicks, Bill Mann, Jim Lafitt, Kevin Campbell and Jim Hogan.

SPORTS SPOTLIGHT

WABUSH LADIES FINISH SECOND

The Wabush Ladies Ten Pin Bowling team that went to St. John's to compete in All Newfoundland Roll-Offs, last week held their own all the way. The girls had to face strange lanes, extensive travel time and strong competition but still finished in second spot in the tournament. The girls were bettered only by St. John's West which had a very strong team. The only defeat suffered by the West Ladies came from the Wabush team. The team placed four members in the top ten average group which rolled in the singles competition. Aggie Walsh, Nora Mercer, Chris Harrison and Marie Rose rolled in the singles and held their own in this competition too. Other members of the team were Mary Munn and Jean Kavli. On behalf of the girls, I would like to express sincere thanks to the following people who contributed to the financial side of the team. Without their contributions, the trip would not have been possible: Wabush Recreation Centre, Sir Wilfred Grenfell Hotel, WestLab Agencies, Royal Canadian Legion, Branch 47 Wabush; Dominion Stores, Wabush; Northern Drugs, Kinettes Club, Hudson Restaurant and Perry's Janitorial Service.

WABUSH FAILS TO DEFEND DOW TROPHY

The Wabush Men's Ten Pin Bowlers failed in their attempt to defend the Ten Pin Bowling Championship and the Dow Trophy at Sept 11es last week. After the excellent showing they gave last year, the team just didn't have it and finished last in the six team tourney. Despite this poor showing, two of the players sparkled in the Singles Championship. Moe Canes won high single with a fine 245 only to be challenged by another Wabush player, Marcel Levesque who rolled a 244. Levesque finished second and Canes finished third in the singles averages. Other members of the Wabush entry were Ben Lacey, John Mercer and Joe Ansara. "Better luck next year team."

SOFTBALL FUTURE LOOKS DIM

Success of the Labrador City Softball League looks very uncertain as a result of the current work shortage in the area. At a meeting of the executive and team representatives on Friday night, it was decided to suspend league operations until the work situation brightens and to run a series of exhibition games. Possibility of team entering, the Newfoundland Softball Championships at Goose Bay is also in jeopardy as fund raising is almost impossible due to the present circumstances. The B. league is scheduled to start on June 15 but this too may be delayed for the same reason.

GOLF IS TOP SPORT THIS YEAR

The Tamarack Golf Club is by far the most popular place in Labrador City - Wabush since its opening last week. The course is in very good condition and is always inhabited. The course is open to the public up until June 15 and from June 16 onward only members will be permitted to use the facilities. Golfers planning to become members are requested to enter their score cards to help the executive establish handicaps for each member. Aurora Sports is planning to publish the top 10 scores each week when the information is available.

Scanning the market

In this column we will continue our review of Toronto industrials.

Chemicals and Textiles. Both have taken "hard-knocks" in the past couple of years but seem to be hitting the "comeback Trail" in recent months.

1) Bay Mills Ltd. 1968-1969 High-Low \$11.00 - \$3.75. Present price \$7.00. Last year's Earnings .74 cents per share. Specializes in the manufacture and sale of industrial textiles. Major convertor of fibreglass yarns into industrial and decorative fabrics. Plants at Midlands and St. Catherines, Ont. Spotty earnings picture of recent years seems to be clearing. A speculative buy with a good possibility of a quick "run up" to \$11.00.

2) Bruck Mills "A". 1968-1969 High-Low \$24.00 - \$16.00. Present price \$20.00. Latest six months earnings \$1.00 per share. Manufacturers wide range of fabrics. Produces complete products from yarns to finished goods. Plants at Cowansville, Sherbrooke, St. John and Montreal, P.Q. Sales have been steady at \$29 million during recent years. This stock shows excellent potential for sharp recovery.

3) Cosmos Imperial Mills Ltd. 1968-1969 High-Low \$11.00 - \$6.25. Present price \$7.88. Latest six months earnings were .41 cents per share. Manufacturers cotton duck and cotton dryer felts at Yarmouth, N.S. An interesting feature of this company is a bank loan of \$500,000 due 30 June 1969. If this obligation is met, operation should show strong recovery. Watch closely, if current indebtedness is retired, rise to \$13.00 looks fairly certain.

4) Dominion Textile Ltd. 1968-1969 High-Low \$18.50 - \$10.50. Present price \$16.75. Latest nine months earnings \$1.49 per share. Canada's largest manufacturer of cotton textiles also largest producer of synthetic fibre and cotton-blend fabrics. With subsidiaries, operates some 25 plants in Quebec and Ontario. The Present price is far below its high of \$33.00 in 1967 and at current buy should head much higher over the medium to long term. A pretty safe purchase.

5) Reichold Chemicals Ltd. 1968-1969 High-Low \$16.00 - \$8.50. Present price \$13.25. 1968 earnings were .66 cents per share. Engaged in the manufacture and sale of synthetic resins and certain allied speciality chemical products. Plants located at St. Therese, P.Q., Toronto, Lindsay, and North Bay, Ont., Kamloops and Port Hardy, B.C. Sales have shown a steady increase. Shares seem an excellent purchase at market; with a further rise in price indicated.

6) Union Carbide Canada Ltd. (Union Carbide of the U.S. holds approximately 75%). Directly and through subsidiaries is engaged in manufacture and or sale of diversified line of organic chemicals, plastics, synthetic fibres, gases, metals, carbon and graphite, food casings and consumer products. The company has 43 plants, 28 sales offices, and eight development laboratories from coast to coast in Canada. Shares presently priced at \$19.50 pay a dividend of .60 cents per share. Price has dipped to a low of \$16.63 last year but recently, have remained fairly steady around \$20.00; well below their high of \$31.75 in 1966. Lagging but has excellent potential for major recovery.

This Week's Investment Term:

Quotation:- Often shortened to "quote". The highest bid to buy and the lowest offer to sell a security in a given market at a given time. If you ask your bank or broker for a "quote" on a stock, he may come back with something like $5\frac{1}{4} = 5\frac{1}{2}$. this means that \$5.25 is the highest price any buyer wanted to pay at the time the quote was given on the floor of the Exchange and that \$5.50 was the lowest price which any seller would take at the same time.

Next week: More on Toronto Industrials.

Church calendar

CAROL UNITED CHURCH Rev. Stephen Collins
