LABRADOR CITY, NFLD.

DECEMBER 30, 1965

AUTHORIZED AS SECOND CLASS MAIL BY THE POST OFFICE DEPARTMENT, OTTAWA, AND FOR PAYMENT OF POSTAGE IN CASH.

The Editors wish to thank Mr. W. A. Craig for the following contribution and hope it will encourage other subscribers to send us items of interest from time to time.

As the old year dies, faith and hope for the NEW YEAR are born. Hope is an essential part of living, it is the sum of the best that we expect of all our tomorrows.

Without hope the landscape of the future is a dreary wasteland in which all action ends in sterility and life itself perishes.

But without action, (the will to perform deeds) hope remains frail, negative and without protest.

And so as we pass into the NEW YEAR we respond anew to the revitalizing touch of hope and the belief that with action we can make our tomorrows better than our yesterdays.

HAPPY  
NEW  
YEAR

#### FROM THE EDITORS

Since the advertisers, our readers, and the staff all need a rest, we have abbreviated this issue of the CAROL NEWS. It includes only those items we feel to have immediate interest and we will endeavour to catch up on the rest of the news next week.

HAPPY NEW YEAR AND DRIVE CAREFULLY
