VOLUME 2, ISSUE 2,

BOX 1813, LABRADOR CITY, NFLD.

NOVEMBER 3rd. 1966

AUTHORIZED AS SECOND CLASS MAIL BY THE POST OFFICE DEPARTMENT, OTTAWA, AND FOR PAYMENT OF POSTAGE IN CASH.

As another winter settles in, we would do well to again review the rules of SAFE winter driving - Slow and Easy is the motto for snow-packed, icy roads.

Visibility is poor from side and rear windows on cold days and a little courtesy from drivers to allow a vehicle the right of way, when backing out - especially at the shopping centre, should be given.

Frost-free windshields are a must, even if it takes an extra five minutes to wait for the defroster to do it's job.

Signal lights should be utilized well in advance of a turn, giving the rear driver ample warning - stopping quickly is not always possible in winter conditions.

The pedestrian too, must do his part. Now that sidewalks have disappeared and walking on the road is a necessity - walk facing the traffic !.

Parents should warn their children that sliding over snow banks on to the road is extremely dangerous - the driver does not have much chance to stop suddenly. The same applies to children skating on the road - lots of fun perhaps - but could result in drastic situations.

With common sense and courtesy, - Labrador City could be almost accident-free.

WHAT GOD HATH PROMISED.

God hath not promised Skies always blue,
Flower-strewn pathways all our lives through,
God hath not promised sun without rain,
Joy without sorrow, Peace without pain,

God hath not promised we shall not know
Toil and temptation, trouble and woe,
He hath not told us we shall not bear
Many a burden, many a care.

But God hath promised strength for the day,
Rest for the laborer, Light for the way,
Grace for the trials, help from above,
Unfailing sympathy, Undying love.

Congratulations are extended to Bob Rondeau for getting a large caribou that dressed over 380 lbs. He was accompanied on the week-end hunting trip by Elmer Nickerson, Bill Craig and Cliff Spratt.

A warm welcome is extended to Mr. Ray Twine who hails from Lewisport, Nfld. Mr. Twine is now working for I. O. C.

We bid farewell to Miss Viva Wells who has returned to Botwood, Nfld.

A very enjoyable evening was had by members of the Carol Curling Club, last Saturday at their Halloween Party. The lounge was appropriately decorated and to finish off the evening of dancing, hot Chile Con Carne was served. We offer congratulations to the winners of the Costume Parade. Mr. and Mrs. Pete Gardner. Mrs. Bernice Janes and Mr. Cyril Stamp.

Pastor Hartwell has now returned from his trip to Newfoundland. The Pastor, along with Mr. Bill Taylor, of Wabush, represented the Wabush Collegiate at the Amalgamated Schools Association Annual Meeting held at St. John's. While on the island, Pastor Hartwell made some business and social calls in the central region and also on the west coast.

Mrs. Francis Reeves has left for Victoria, Nfld. for an extended stay.

We are very sorry to report that Mrs. Mary Leyte is in hospital in Montreal, but understand she is progressing favourably. We sincerely wish her a speedy recovery. For any of Mrs. Leyte's friends who would like to drop her a line or a card we are passing on her address - Mrs. L. Leyte. Royal Victoria Hospital, Women's Pavilion, East Wing. Ward 5314, 5th. Floor. Montreal, Quebec.

We were very pleased to hear from young Howard Green who left our town last year to seek adventure in Australia. Howard has really been on the move to such places as the Ski resorts in the Snowy Mountains, to Canberra, Melbourne, Brisbane and Surfer's Paradise. For a while he worked on a cattle station and apparently enjoyed every minute - hunting, riding, herding cattle etc. Bush life there is wonderful he reports, the scenery, the people and the cooking! He promises to write more of his life and let us know what an Australian Christmas is like. We will look forward to hearing from him.

We offer hearty congratulations to the following proud parents on their recent new additions -

Mr. and Mrs. Cook, a girl born on Oct. 16th.	Mr. and Mrs. C. Fleming, a girl, Oct. 18th.

POETS CORNER - "NEWFOUNDLAND"

by Lawrence Jacobs

The animals prowl the forest at night
The fishes swarm the sea,
And in the summer when days are warm
There's a bird in every tree.

The numberless insects move to and fro,
The night hawk watches the sky,
And in the winter when nights are cold,
The animals prance swiftly by.

The brooks are running so swiftly by
The lilies sway in the sun
And in the Fall when the wind is high
The leaves fall one by one.

The ponds and rivers are covered with ice
The snow lies ever where,
But in the Spring when the days are long,
We can tell that Summer is near

NOTE OF THANKS

The Kinette Club wish to thank Woolworths of Labrador City for the generous donation of a doll, which was used for the "Money Doll" raffle at our recent Bazaar, and was won by Miss Helen Tobin of Wabush.

A special thanks also to Mr. Bob Brown, manager of Wabush Recreation Centre, for the use of the Lounge and equipment - to Dominion Store in Wabush for their continued support and the public who participated, to make the Bazaar a success.

Welcome back and congratulations are extended to Leonard DeCoste, who just arrived home from Miami Beach, Florida, where he attended a "Master Course in Hypnotism", conducted by Harry Arons, and the A.A.E.H. Association to Advance Ethical Hypnosis. Mr. DeCoste also attended the A.A.E.H. 11th. convention at the fabulous Americana Hotel. He is now a qualified Hypno-Technician and Consultant. The role of a Hypno-technician or Ethical Hypnotist, is becoming increasingly important and consists of working with, or under the supervision of, or by referral from licensed practitioners of the Healing Arts. Applications include conditioning for painless childbirth, dentistry, diet control, habit correction, speeding up the learning process and numerous other applications, which the doctor refers to the Hypno-Technician. Mr. DeCoste will give a lecture demonstration to any local group or organization who would like to know more about Ethical Hypnosis.
