NEWS

VOLUME 3 ISSUE 20 BOX 1813 LABRADOR CITY MARCH 7th. 1968
 AUTHORIZED AS SECOND CLASS MAIL BY THE POST OFFICE DEPARTMENT, OTTAWA AND FOR
 PAYMENT OF POSTAGE IN CASH

We must apologize in advance for any mistakes or omissions which appear in your Carol News this week.

Your regular editor is hospitalized for a few days but will probably be back next week, if only in a supervisory capacity.

The following item was sent to us by your former editor, Marion Smith, now living in Northern Ontario, and enjoying it.

It is presumably an extract from a Safety News Letter and is designed to make people who take safety lightly, to reassess the value of those "intolerable safety glasses, boots, etc...".

WIFE'S AFFIDAVIT

I, hereby authorize my husband to work without wearing goggles, safety shoes, hard hat, or any other safety equipment and hereby promise that I will, without complaint, perform the following duties in case he is blinded or crippled:

1. Lead him wherever he wants to go.
2. Help him dress and eat.
3. Describe the scenery to him on our vacations.
4. Read to him instead of watching television.
5. Describe the way the children's eyes light up at Christmas time and what their graduations and weddings are like.
6. Teach him to do housework so I can get a job to support our family.
7. Do all the work around the yard and garage that he used to do.
8. Teach our little boy how to play ball, build model airplanes, fish and hunt.

(Signed)
 (Wife)

SPORTS BEAT ^{by} DON

This past weekend the Fieldian Hockey team from the Capital City visited our fair town and are now back in St. John's licking their wounds after receiving a sound thrashing in both games. The only bright spots in the visiting lineup were Goaltender Dowden, Defenceman Martin, and the St. John's league scoring champ Ross Keeping. In the first minute of the second game Keeping got a break on Cote and Leon is still scratching his head. Our own lineup was impressive to a man. I only hope before the year is out that we can get a more competitive team in town so that the spectators can watch a closer game. Orv Matthews stood out as the star of the Lakers. He was the unanimous choice of the selection committee as the Locals M.V.P.

Quite a trade in the N.H.I. on the surface it looks as if Toronto got the best of the deal, but the main figure involved to my mind is Brewer. I would have to say that Abel has contacted him in advance and look to see him in a Detroit uniform shortly. For the rest of the players you never know how they will react under a new coach. Just a few years ago Tommy Ivan offered one million dollars for "Big Frank" and Imlach wouldn't bite, now he lets him go for 32 year old Norm Ullman. Could it be that Frank and Punch can't agree; it's common knowledge that he doesn't get along with Stenkowski or Pappin. Disagree with the coach and you are trade bait.

Looks as if the Cornerbrook "Town Aces" will be visiting this week-end to play the Braves for the Provincial Intermediate "A" Championship. The winner of this two game total goal series goes aga inst the Marintime Champs to decide an Eastern Canadian Champ- ion, and from there the winner enters the Dominion Championship. It's going to be a nip and tuck battle but if the Braves play their type of hockey they are capable or they should have no trouble in advancing to the Marintimes.

About 700 people viewed the first local figure skating show this past week-end and they all received a pleasant surprise. The children weren't pro's by any means, but the performance was tops and Mrs. Mann and her executive should be proud of the job they are doing. When you consider, these women give up their time each week to help and instruct the kids and receive nothing in return, only the personal satisfaction that comes from this type of work, then you can appreciate their efforts even more.

That's 'thirty' for this week and remember, "Ff you can't take part in sport - be a good one anyway".

THE MINOR HOCKEY PLAYOFFS
ARE NOW IN PROGRESS.
