A yearbook? . . . It's a story told with faces and names, places . . . and games. A story to remember when it's hard to remember - the people, the places . . . and names.

To the students:

I'd like to thank you for giving me the opportunity to help create "The Borealis". It was an enjoyable and unforgettable experience and through "The Borealis" I'll remember.

Thank you.

## CARNIVAL COMMITTEE

L. to R.: Peg Walsh, Susan Taylor, Mark Fletcher, Frank Hearn.

The Kinsmen Winter Carnival was definitely one of the highlights of the school year. When else has a student had an opportunity to throw a pie in the face of his favorite teacher, beat a friend in an eating contest or witness the crowning of our first Teen King.

The carnival committee is working continuously to improve youth activities and to them we extend gratitude for their great success in '76.

## REACH FOR THE TOP

L. to R.: Scott Taylor, Marilyn Chubbs, Gary Dean, Joe Aruda.  
Teacher Counsellor: Helen McCardle. Missing: Peter MacGhee.

Our "Reach for the Toppers" competed against Forteau in their first game and won by a wide margin. On Saturday, the next day of the competition, we watched our future opponents compete for places in the next level of playoffs. (It was automatic elimination if you lost a game).

Our next game was on Sunday against Robert Leckie of Goose bay - and it was tense. Luckily the judge accepted a disputed answer of Gary's for 30 points and that gave us the game. Joe would have to face the music back in Wabush for not getting the jump on naming the Capital of Portugal.

Our last game was the final against our old rival from Grand Bank - Pearce High School and they came out ahead of us again. This leaves our next Reach for the Top team with a real challenge - Beat Pearce!
